Bay County Manufacturers Directory

Preface

This directory has been updated with current data by Bay Future, Inc.. We would like to extend our greatest appreciation to all the manufacturer's in Bay County that participated in the directory and provided us with the most current information.

Businesses in this directory are categorized as manufacturing firms with respect to the MEDC's definition: Manufacturing is the process of converting raw materials, components, or parts into finished goods that meet a customer's expectations or specifications. Wholesalers as well as distributors are included in this directory.

Each individual listing includes: (1) company's name, (2) address, (3) telephone, (4) website if applicable, (5) email address if applicable, (6) primary contact, (7) secondary contact if applicable, (8) Northern American Industrial Classification (NAICS) code (if provided), (9) number of employees, (10) size of facility, (11) year established, (12) city or township location, and (13) nature of business. Other information included if applicable are parent company, other locations, exporter, and annual sales volume.

The Bay County Manufacturers Directory will continue to be updated by the Bay Future, Inc. staff. It is our goal to have the most current and accurate information. If your company is not listed, the information is incorrect, or has changed recently, please contact Bay Future, Inc. at 989.892.1400.

We sincerely hope this directory will assist you in increasing your awareness of the diversity and quality of Bay County. If you have suggestions or comments on how this directory can better assist you, we want to hear from you. Please give us your opinion by contacting our office.
